

**ALLSTEEL APPOINTS SABINE BARTZKE AS  
NYC-BASED VICE PRESIDENT**

Muscatine, IA –*November, 2006* – Allsteel Inc., a leading contract furniture designer and manufacturer, is pleased to announce the appointment of Sabine Bartzke as Vice President.

“We’re extremely committed to increasing our presence and effectiveness in the New York marketplace. Sabine’s combination of business acumen, design experience and marketing intelligence, along with truly being driven by client needs, makes her an ideal choice to lead our expanded efforts in the largest and most prominent market in North America,” said Eric Jungbluth, Allsteel President.

Having Bartzke join the Allsteel senior leadership team, while still being based in the New York area, demonstrates the company’s commitment to serving the large number of major organizations based in New York and on the East Coast. Her extensive knowledge and expertise in the interior design and corporate real estate industries – with a particular focus on the *business* of each – comes from her experiences as interior designer, project manager and on-site account executive for large corporations.

Bartzke has worked with clients throughout the United States, Europe and Asia, and joins Allsteel from the NYC-headquartered HLW International LLP – one of the top 20 architectural/engineering planning and consulting firms in the world – where she was Senior Principal and Chief Marketing Officer.

Bartzke, native of Germany, received her business administration and foreign languages college degree at Hamburger Fremdsprachenschule, her Bachelor of Fine Arts degree from the New York School of Interior Design and continues to participate in the Executive Education Program at Columbia University Graduate School of Business.
